

Shamrock — 12.5"

From stitchinheaven.com

From green fabric cut:

12 -- 3 1/2" squares

1 -- 6 1/2" square

From light fabric cut:

9 -- 2 3/8" squares

2 -- 5 1/2" squares

1. Snowball corners: Place right sides together, a 3 1/2" green square and a 2 3/8" light square on the corner. Draw a diagonal line. Sew along marked line. Trim to 1/4" and press open. Make 9.

2. Make stem: Place right sides together, a 6 1/2" green square and a 5 1/2" light square on the corner. Draw a diagonal line. Sew along marked line. Trim to 1/4" and press open. Repeat on opposite corner with second 5 1/2" light square.

3. Make clover leaves: Place right sides together, 2 of the snowballed 3 1/2" squares. Sew a 1/4" seam. Then place right sides together, a snowballed 3 1/2" square and a green square. Sew 1/4" seam. To finish leaf, place right sides together, using picture as a guide. Sew a 1/4" seam. Press. Make 3.

4. Trim blocks to 6 1/2" square. Arrange 3 clover leaf blocks and a stem block, using picture as a guide. Use 1/4" seams to finish the block. Press.
